MEMORANDUM FOR THE RECORD:

SUBJECT: Home to Work Transportation Legislation  
(HR 3614) / Enrolled bill comment to OMB

1. Pursuant to an enrolled bill request on the above described matter, I contacted Greg Jones at OMB (395-4354) and told him that the Agency supported the bill. I explained that we were exempt from the bill by virtue of section (a)(2)(B) which officially recognizes intelligence and counterintelligence activities as a designated official purpose.

2. In addition, section (c) of the bill specifically recognizes section 8 of the CIA Act of 1949 as a basis for any operational exemption. Thus the new law will pay deference to section 8 authority rather than being silent on such authority.

3. This constitutes completed action on OCA action # 86-3578 and should be filed under miscellaneous personnel.
